“Building Community” Awareness Sunday

We hope many of you will join in the activities planned for Thursday, March 19, and Sunday, March 22, as we build community and reach out to one another as God’s people. Our thanks to the personnel from Hagerman, Inc. and Shambaugh & Son, LP, (including Bishop Brown, Mechanical Project Manager, Shambaugh & Son, LP, not shown) who will be our presenters during the guided tours. We look forward to seeing new, as well as familiar faces, as we gather to worship together.

- **GUIDED TOURS** of construction-to-date are scheduled for on the hour and half hour, beginning at 9:30 a.m. and running through 12:30 p.m. **All tours will meet in Wagenhals Hall** (temporarily available on March 22 only for this purpose). **We will have three tour groups running simultaneously.**
- **VIDEO PRESENTATION** of the construction site updates will be shown at the Thursday 7:00 p.m. service and Sunday 8:00 a.m. service in the Chapel Lounge. The video presentation will also be available to view on March 22, in the Chapel Lounge and the library, beginning at 9:00 a.m., for those unable to take the guided tour.
- **OPPORTUNITIES TO LEARN** – Regular 10:00 a.m. classes will convene, offering many opportunities to learn and worship for people of all ages. Trinity’s booklet about worship, education and service opportunities – “Opportunities” – will be available from the “Seeds of Faith” greeters.
- **PRAYER PETITIONS** – “Seeds of Faith” prayer petitions submitted by March 18 will be included in the services.
- **“Bring a Friend, Plant a Seed”** – Consider inviting friends, neighbors, individuals who do not have a church home, or someone who hasn’t been to Trinity for awhile to attend one of the Awareness services on Thursday or Sunday. More information, including examples of how to make asking easier, was mailed in early March, and can also be found on the “Seeds of Faith” website.
